"FOR YOUR PROTECTION" TEN RULES OF SAFETY FOR ALL CHILDREN

This has been printed to help you protect yourself from injury or harm. Take these rules home and discuss them with your parents for they are good rules to remember.

1. Obey your parents at all times. Their interest is in your welfare and safety. **NEVER DISOBEY THEM.**
2. Do **NOT** take candy or presents from strangers.
3. Do **NOT** take rides from strangers or people you don't know very well, even if you have missed your bus or are late for school.
4. **BEWARE** of strangers who very friendly in the movies. **REPORT** them at once to an employee or manager.
5. Take a friend along when you go to the movies, playground, stores, etc.
6. **NEVER** play in alleys or empty buildings at any time.
7. Do **NOT** run or play in a busy street at any time.
8. **NEVER** play in or around trunks, packing crates or abandoned refrigerators, as you may get locked inside and hurt.
9. Do **NOT** cross the streets except at marked crosswalks or street corners, or where a crossing guard is on duty. Then **WALK**, do not run across the street.
10. When riding a bicycle, obey **ALL** traffic laws, just like as if you were driving an automobile. Ride on the right hand side of street, don't jump out from behind parked cars. Learn and use all hand signals when turning or stopping. Don't clown around, you may get hurt or cause an accident.

ALWAYS REMEMBER:

- Your parents, teachers, and police officers want to keep you safe and happy.
- You can help by obeying all the rules.
- All police officers are your friends. Go to them when you are scared, in trouble, or need help.
- If any stranger tries to make you disobey any of these rules, report them at once to your parents, your teacher, or a police officer.

WHO IS A STRANGER?

A stranger is someone that your child does not know. Parents and guardians need to determine who is and isn't a stranger. Explain that strangers come in many shapes and sizes. They can be a man or a woman, they can wear nice clothes or even a uniform. The uniform issue is confusing to children, so take the time to explain the different types of uniforms found in our community.

TELL YOUR CHILD TO FOLLOW THESE RULES ABOUT STRANGERS:

- Never take anything like candy, ice cream, or money from a stranger.
- Never talk to strangers.
- Never take a ride from a stranger.
- If a stranger asks for directions, stay away. Strangers should not ask kids for help.
- Never give your name or address to a stranger.
- Never tell anyone that you are home alone if you answer the telephone or door. Tell them that mom or dad is busy and you will take a message.
- If a stranger bothers you, asks you to help him look for his dog or cat, turn, scream and run in the opposite direction.
- If a stranger tries to follow you on foot or tries to grab you, **RUN AWAY, SCREAM** and **TELL YOUR PARENTS, YOUR TEACHER** or a trusted adult friend. A dangerous stranger doesn't want to be the center of attention.

SAFETY RULES:

- Children should know to use the telephone. How and when to use 911.
- Children need to memorize and be tested on their area code and telephone number.
- Agree on a FAMILY PASSWORD.
- Always check with your parents first!
- Tell your parents if someone asks you to keep a secret.
- Don't wear clothes with your name on them.
- Remember adults do not need your help. Ask your parents before helping.
- PARENTS, please allow your child to do whatever it takes to protect themselves.
- Develop an emergency plan. What to do, Where to go if...
- Most people are good and would not hurt you. Even so, YOU should still be careful and protect yourself.
