

SCV SHERIFF'S FOUNDATION
ITEMS PURCHASED FOR STATION

The SCV Sheriff's Foundation was organized under the laws of the State of California and exists as a non-profit public benefit corporation. This organization was formed in 1984 and was created by local citizens whose desire was to assist the local law enforcement effort in a tangible way.

Since that time, this volunteer organization has purchased equipment and provided help in accomplishing the law enforcement mission in the Santa Clarita Valley. In addition to providing needed police equipment and crime prevention materials, the funds raised by the foundation help the Civilian Volunteer, Law Enforcement Explorer and Reserve Deputy Programs at the Santa Clarita Valley Sheriff's Station.

On-going purchases include Volunteer Uniforms for desk personnel, Volunteers on Patrol and Volunteers on Bikes, Hour Pins and plaques. Other items purchased since its inception are as follows:
